

## Confidentiality Agreement

Employee acknowledges and understands that he/she may gain access to client and/or DiagnosTemps confidential information during the course of working for DiagnosTemps while providing services for a DiagnosTemps' client. Such confidential information shall include, but not be limited to, patient information, client practices and policies, DiagnosTemps business practices, policies, client lists and any other information that client and/or DiagnosTemps may deem to be sensitive for any reason. ("Confidential Information")

Employee agrees to not disclose any such Confidential Information to any third parties and/or use such Confidential Information in a manner to benefit employee and/or associates of employee during employment with DiagnosTemps or any time thereafter.
